

Announcement

Functional Textile & Clothing Conference

The biannual international conference on *Functional Textile & Clothing* is being organized by the Textile Department of IIT-Delhi in partnership with World University of Design, Sonapat and PSG College of Technology, Coimbatore. The conference will be held during 9-11 February 2018, at New Delhi, India.

The conference serves as an interdisciplinary platform for leading academic scientists, researchers, entrepreneurs and market stakeholders to share recent scientific developments, cutting edge technologies, innovations, trends, concerns, challenges and opportunities in the following area:

- Protective textiles and clothing
- Medical textiles and clothing
- Sportswear, knitwear, and workwear
- Ergonomics
- Wearable and smart textiles
- IOT in fashion
- Fibres and fabrics
- Surface functionalization and coatings
- Entrepreneurship
- Supply chain management
- Dyeing and finishing
- Textile and clothing machinery
- CAD, CAE technologies & mass customization
- Garment design and manufacturing
- Garment fit and sizing
- Innovation in fashion
- Clothing comfort
- Textile and fashion education and training
- Traditional textile arts and crafts
- Sustainable textiles
